Tell us what you are planning.

Share basic contact and project details. We will identify the proposed financing provider and ask for your permission before making the introduction.

Know the terms before you decide.

Ask about rates, fees, repayment and total cost. If financing is secured by your home, missed payments could put your home at risk.

Explore your options.

Start online, or email David for help.

Silicon Valley Project Financing is operated by Turnkey Ventures, a marketing and introduction service. We do not lend or make credit decisions. Financing is subject to provider review and terms. Some options may be secured by your home. An inquiry is not a credit application or approval. Funding and timing are not guaranteed.

Operated by TURNKEY VENTURES
